# Seema Haq

## M.D.

Endocrinology

**Years of Experience**  
21+ years

### Dr. Haq's Background & Experience

Dr. Seema Haq is an endocrinology specialist based in Denton, Texas. With over 37 years of experience in the medical field, she possesses extensive knowledge and expertise in family medicine and geriatrics. Dr. Haq is a member of the American Association of Clinical Endocrinologists and provides care in both Denton and Frisco.

In addition to her clinical practice, she is actively involved in clinical research focused on treating hormone-related conditions, including diabetes, thyroid disease, pituitary gland disorders, and hormonal imbalances. With her extensive experience in both research and hospital settings, Dr. Haq is a valuable addition to our network of investigators.

### Contributions to Research and Education

Dr. Haq's dedication to endocrinology extends beyond her clinical work. She has published scientific papers in leading medical journals on various topics, including diabetic monitoring compliance, opioid therapy management, and rare medical cases. In addition to her research, she has played a pivotal role in medical education, teaching and mentoring physician assistants and medical students through workshops and presentations. Her efforts to educate future healthcare providers highlight her commitment to advancing the field of endocrinology.

Endocrinology

Years of Experience  
21+ years

### Recognition and Professional Involvement

Dr. Haq's excellence in patient care and research has earned her numerous awards, including the SAFMR/SSCI Trainee Award and a Certificate of Appreciation from Diabetes Solutions of Oklahoma. She has been named one of the Best Doctors in Collin County and Dallas by *D Magazine* for several consecutive years. Her involvement in professional organizations such as the American Association of Clinical Endocrinologists and the American Medical Association further reflects her leadership and dedication to advancing medical knowledge in endocrinology.

### Education & Experience

Dr. Haq received her medical degree from Dow University of Health Sciences and has been practicing for over 20 years. She has made significant contributions to research and is an accomplished Principal Investigator at Revival Research Institute. Dr. Haq is affiliated with multiple hospitals, including Texas Health Presbyterian Hospital Denton and Medical City Lewisville.
