

# Lucas E. Cavallin

M.D., Ph.D., F.A.A.D.

Dermatology

Years of Experience  
10+ years

## Dr. Cavallin's Background & Specialization

Dr. Lucas Cavallin, MD, PhD, FAAD, is a Board-Certified Dermatologist with over 10 years of clinical experience in medical, surgical, and cosmetic dermatology. Fluent in English and Spanish, he provides comprehensive care in general dermatology, skin cancer, pediatric dermatology, dermatologic surgery, and cosmetic procedures.

## Professional Experience

Dr. Cavallin completed an internal medicine internship at the University of Miami/Jackson Memorial Hospital, where he was named Preliminary Intern of the Year, and a dermatology residency at the University of Pennsylvania, one of the nation's top programs. Over the past decade, he has built extensive expertise in clinical practice, dermatologic surgery, and patient care. He now serves as a Principal Investigator at [Revival Research Institute](#), further contributing to clinical research and advancing dermatologic studies.

## Research & Clinical Trial Contributions

Dr. Cavallin holds a PhD in Microbiology and Immunology from the University of Miami and has published in leading journals, including Cancer Cell, Journal of Experimental Medicine, PNAS, Cell Host & Microbe, and Journal of the American Academy of Dermatology. His work has earned multiple awards, including 1st Place Clinical Research Poster Award (Wound Healing Society), the Alving Award, and 1st Place Basic/Translational Science Awards at Sylvester Comprehensive Cancer Center. His research expertise informs his clinical practice and leadership in clinical trials.
