Cardiology

Years of Experience

50+ years

## Dr. Khan's Background & Specialization

Dr. Anwarullah Khan, MD, FACC, is a highly experienced Cardiologist and Internal Medicine specialist with over 50 years of clinical expertise. He specializes in cardiovascular disease, critical care cardiology, and non-invasive cardiology. Throughout his career, Dr. Khan has provided comprehensive patient care across hospital systems, academic institutions, and community healthcare settings.

## Professional Experience

Dr. Khan completed his Internal Medicine residency at McKeesport Hospital, UPMC, followed by a fellowship in Cardiovascular Diseases at Shadyside Hospital, UPMC. He has held several leadership and academic roles throughout his career. He also served as a Clinical Assistant Professor of Medicine at Emory University and Emory Healthcare. Currently, Dr. Khan serves as a Principal Investigator at [Revival Research Institute](#), where he contributes to advancing clinical trials and research in cardiology and related therapeutic areas.

## Research & Clinical Trial Contributions

Dr. Khan has actively contributed to clinical research, including participation in advanced trials such as a Phase 3b study evaluating the effects of depemokimab on airway structure and function in asthma with an eosinophilic phenotype (IMAGINE study).

His extensive background in critical and clinical cardiology, combined with active Good Clinical Practice (GCP) certification, enables him to effectively lead and oversee clinical trials while ensuring regulatory compliance and patient safety. His research involvement reflects a strong commitment to improving therapeutic outcomes and advancing medical knowledge.

## Education & Experience

Dr. Khan completed his medical degree at Osmania University, Gandhi Medical College. He then pursued postgraduate training in Internal Medicine followed by a specialized fellowship in Cardiovascular Diseases at UPMC. His decades-long career spans clinical leadership, academic medicine, and community-based healthcare, establishing him as a well-rounded and highly experienced physician-investigator.

### Education

#### Fellowship – Cardiovascular Diseases

Shadyside Hospital, UPMC, Pittsburgh, PA  
**1980–1982**

#### Residency – Internal Medicine

McKeesport Hospital, UPMC, PA  
**1977–1980**

#### Medical Degree

Osmania University, Gandhi Medical College  
**1975**

### Field of Experience

Cardiology (Clinical & Critical Care, Non-Invasive Cardiology, Community Healthcare)

### Board Certifications

#### Internal Medicine

American Board of Internal Medicine

#### Cardiovascular Diseases

American Board of Internal Medicine

#### State Medical License

Texas  
Georgia  
Arizona
