

EXPANDING HORIZONS IN CLINICAL RESEARCH

CONNECTING RESEARCH EXCELLENCE ACROSS UNITED STATES & EUROPE

Revival Site Network proudly announces a strategic partnership with Pharmbiotest Poland, expanding global research capabilities and strengthening early-phase trial expertise.

WHAT OUR PARTNERSHIP BRINGS?

- Dedicated facility supporting Phase I clinical trials
- Advanced study design and protocol planning capabilities
- Expanded European research presence
- Enhanced global patient access and recruitment diversity

READY TO EXPAND YOUR RESEARCH GLOBALLY?

Connect with our team to explore partnership and study placement opportunities.
