

MORE THAN A RESEARCH SITE A SYSTEM BUILT AROUND YOU

SCAN HERE

FROM STUDY OPPORTUNITY TO PATIENT IMPACT

Revival connects physicians with the people, technology, processes, and infrastructure needed to execute clinical trials efficiently.

LESS ADMINISTRATIVE BURDEN

Centralized support across start-up, regulatory, contracts, recruitment, quality, data, and finance streamlines trial ops & allows physicians to focus on patient care.

01

MORE RESEARCH OPPORTUNITIES

Our growing research network provides access to clinical trial opportunities across 25+ sites, 30+ investigators & 6 U.S. states.

03

PROVEN PERFORMANCE

We deliver measurable results, including site activation in ≤2 weeks, achievement of 82% of enrollment targets, 95% patient retention & 100% regulatory compliance.

05

02

INVESTIGATOR DEVELOPMENT

We support ongoing training, all-hands meetings & professional development opportunities for our investigators.

04

TRANSPARENT PARTNERSHIP

We build transparent partnerships through clear agreements, defined roles & full financial visibility.
